Audio Description, Programme Notes and Touch Tours

Audio Description is a live verbal commentary providing information on the visual elements of a production as it unfolds, from sets, props and costumes to actors' facial expressions and movements. Audio Description is delivered via an individual headset. Please book your headset in advance by contacting us.

Programme Notes

Descriptions of the set, characters and costumes are available for audiences who are visually impaired or blind. These will be read 20 minutes before audio described performances and will be available in advance if requested.

Touch Tours

We offer touch tours for some audio described performances. It's a chance to visit the set, feel the props and enhance your enjoyment of the show. The

tour is free and lasts about 30 minutes. Please let us know in advance if you will attend the tour by contacting our Box Office.
